

Teri Gilbert-Eisenga **Executive Director Washoe Tribal Health**

Teri Gilbert-Eisenga is the Executive Director for Washoe Tribal Health, a non-profit health care system, serving the needs of the Washoe Tribe of Nevada and California. Her mission is to provide the highest quality health and wellness services promoting resiliency of mind, body, and spirit for the Washoe People, American Indians, and Alaska Natives, in partnership with all communities throughout the Washoe Tribal Nation. Under her leadership, Tribal Health has vastly expanded services to the communities, providing Primary Care, Dental, Behavioral Health, Optometry, Pharmacy, Women's Health, and Alternative medicines.

Teri has an extensive background in patient care and clinical pharmacy and has served in healthcare leadership for over 20 years, she envisions transforming the delivery of whole-person care to every patient, every time. She holds dual degrees in Communications and Pharmacy, and an MBA from Louisiana State University. Gilbert-Eisenga serves as an Ex-Officio member of the Washoe Tribal Health Board.
